Last week we had the head naturalist from Crosswinds marsh come and speak to us about the history of Crosswinds marsh and the inner beauty of the nature within.

Belleville Rotary - Polio Plus

The Belleville Rotary set their goal for Polio Plus to be \$1500 this year. We collected \$101.75 at the Strawberry Festival Parade and \$155.81 from the Strawberry Festival breakfast making a grand total of \$257.56 collected to date.

We have \$1242.44 left to collect, but this is an excellent start and everyone has reason to be very proud.

District 6400 – Future Vision District

Our district has been chosen to be a Future Vision district and it is going to change the grant structure. However, the grant structure for 2010-2011 is changing every couple of weeks due to modifications The Rotary Foundation is making. DGN Kim Tower will be going to a training session this fall for Future Vision Districts. At this time since the rules are still not complete and no one has been to a training you need to wait to hear more on the grant structure for 2010-11 until we know more. We are hoping to have a program on the Future Vision District around December or January.

District 6400 – Grant Workshop

Mary Kehoe will be giving a grant workshop on July 15, 2009 at the Holiday Inn in Southgate from 7:00-9:00 if anyone in your club would like to attend. This workshop will cover the rules we must follow in 2009-2010. There are several changes. This workshop will also cover the new guidelines/rules for the District Simplified Grant and a few of the rules that are in place for 2010-2011.

If someone would like to come, please RSVP to Mary Kehoe at mkehoe@chartermi.net. A packet with the application forms, reports, and guidelines will be given to everyone that confirms that they are coming.
